**Subject:** Citizen Contact

Hi Matt,

I'm the EPA Project Manager following the Naval Station Treasure Island site. We have received repeated contacts from a TI resident, a Mr. Andre Patterson. As you know, EPA has very limited involvement with TI at this point. Since we aren't very involved, Loren Henning, my Section Chief, suggested EPA provide Mr. Patterson with a contact at CDPH, as his main concern is with radioactivity. I know CDPH is heavily involved in the site, but I'm never sure on the roles of the various people from CDPH. Could you please provide me the contact information for the best person for Mr. Patterson to call?

Thanks,

David Stensby
